

ORTHOPAEDICS WA

CELEBRATING 10 YEARS

PROVIDING ORTHOPAEDIC CARE FOR YOUR PATIENTS

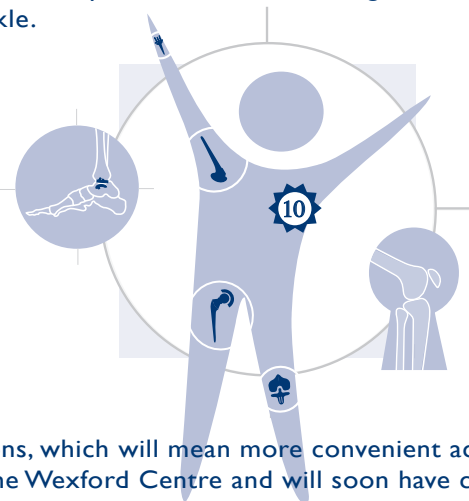

Since opening our doors at the Wexford Centre SJOJ Murdoch in May 2004, we have continued to grow and advance orthopaedics in Western Australia, nationally and internationally.

It has been a busy start to 2024 with our newest surgeon, Dr Dan Marshall, joining the group. He returned after completing his fellowships in Sydney and UK and is a great complement to our existing services as well as providing orthopaedic expertise in the field of foot and ankle.
